MOAB SPEED 2 NEW

The Moab Speed 2 Mid GTX is the latest innovation in hiking from the Merrell brand pairing the knowledge and trail insights from the best-selling hiking boot, the Merrell Moab, with the latest innovations from athletic hikers across the globe. Improved traction with the incorporation of Vibram TC5+rubber, specially formulated for Merrell, with the an all-new design and traction lugs. Hikers know that comfort is king and the all-new Moab Speed with 30% increase in foam underfoot. Breathability also significantly improved incorporating learnings from Merrell's best selling Merrell Test Lab trail running lineup. Underfoot you will find a secure fit heel counter and a full length rock plate to keep you confident on the trail in any conditions. This version also incorporate Gore-Tex, the most trusted name in waterproofing to keep your feet dry in inclement weather.

- 100% recycled laces and webbing
- Padded collar
- Bellows tongue keeps out debris
- Protective and abrasion resistant synthetic heel and toe cap
- Dual heel and tongue loops for ease of entry as well as carabiner compatibility
- 100% recycled breathable mesh lining
- 100% recycled mesh footbed cover
- Cleansport NXT™ treated for natural odor control
- 5% recycled removable PU footbed
- Lightweight FlexPlate™ technology provides torsional rigidity with forefoot stability.
- FloatPro™ Foam midsole for lightweight comfort that lasts
- Vibram® TC5+outsole provides exceptional traction for outdoor multi-sport activities, formulated exclusively for Merrell
- Vibram® traction lugs specifically designed to increase traction and shed debris with each step

MTL SKYFIRE 2 MATRYX® NEW**UVP CHF 199.90**

The focus with the Matryx® Pack is evolution over reinvention. With our elite athletes competing at the highest levels in both the MTL Longsky 2 and the MTL Skyfire 2, the goal was to further tune these patterns to meet their needs. The upper features a single-layer, Kevlar reinforced Matryx® woven textile that maximizes breathability and durability while dramatically reducing stretch. Internally the lining treatment wicks moisture while the midsole features our best FloatPro™ Foam for long distance comfort. Underneath, we use Vibram® MegaGrip® outsole with 5mm lugs offer maximum traction.

- Matryx® upper combines multi-filament threads of Kevlar and high-tenacity polyamide to create a single layer of material that is lightweight, with better breathability and abrasion resistance
- 100% recycled laces
- 60% recycled tongue webbing
- 37.5° temperature regulating mesh footbed cover and tongue lining
- EVA foam footbed
- BZM-8 engineered flex plate for increased performance and protection
- Two part, dual density FloatPro™ Foam midsole
- Vibram® MegaGrip® high performance rubber outsole features unparalleled grip on both dry and wet surfaces

AGILITY PEAK 5 (GORE-TEX®)

Building on the success of one of our Merrell's most popular trail running shoes, the Agility Peak 5 updates this already successful trail runner. In this latest version, the rocker is increased, weight is reduced to less than 10.5 ounces, and heel cup sculpted for better on foot comfort and less slip - whether you are running an ultra or training for your next trail 5K, the Agility Peak 5 will be your next go to trail shoe for any condition comfort. Gore-Tex exterior for the ultimate waterproof functionality.

MORPHLITE

The Merrell Morphlite road-to-trail running shoe brings together dual-purpose technologies for multi-terrain movement. This shoe features our best running shoe foam for premium comfort atop a custom lug pattern designed for road runs throughout the center of the foot with increased depth for trail traction around the perimeter. Running comfort and traction come together in an athletic package with the Merrell Morphlite road-to-trail running shoe.

BAREFOOT

TRAIL GLOVE 7

Merrell's leadership in the barefoot category continues with the Trail Glove 7. Key updates include more natural foot positioning for a true minimalist feel, a Vibram® EcoStep outsole that wraps the foot to maximize grip and connection, and a minimal midsole made of FloatPro Foam™, our best midsole foam. Within the midsole, we also integrated our FLEXconnect® dualdirectional flex-grooves for enhanced ground connection. Total stack height on these shoes is 14mm. Adding in a GORE-TEX lining to keep your feet dry when the outside conditions are not your trail runs do not have to stop when the weather is uncooperative. Return to barefoot with the Trail Glove 7 GTX.

- 100% recycled mesh wrapped insole
- Cleansport NXT™ treated for natural odor control
- 30% recycled integrated EVA foam insole
- Merrell Barefoot 2 construction is designed to keep the foot in a natural position
- FloatPro™ Foam midsole for lightweight comfort that lasts
- Vibram® EcoStep Recycle outsole designed with 30% recycled rubber which provides added durability and improved grip on wet and dry surfaces
